My “word” for the year: \_\_\_\_\_

Key Scripture for the year: \_\_\_\_\_

<b>Personal Development</b> Who you are internally determines how you influence and what you achieve. What specific areas of personal development will you focus on this year?	
<b>Spiritual Development</b> Often growth in our spiritual walk is directly connected to the level of growth in other areas of our lives. How would you like this area of your life to improve?	
<b>Family Health</b> Healthy relationships are the “new wealth” of our world. What goals can you work toward together as a family to be healthier and happier?	
<b>Professional Growth</b> Your commitment to a goal is more important than the size of the goal. What are you most dedicated to achieving in your career this year?	
<b>Financial Freedom</b> Stewardship of our money matters. What is your focus of tithing, saving, investing, giving and spending?	
<b>Physical Health</b> We only get one brain and body. Our physical health impacts everything. What are you committed to this year to proactively take care of yourself?	
<b>Service</b> We are called to serve others through our time, talents, and treasures. Where can you make a difference locally, nationally, or internationally?	
<b>Other</b> Any other goals, plans, or focuses for the year that don't fall into one of the above categories	
<b>My Big 3</b> Which of the areas above are your CRITICAL INCH focuses for this year?
