My “word” for the year: _____

Key Scripture for the year: _____

<p>Personal Development Who you are internally determines how you influence and what you achieve. What specific areas of personal development will you focus on this year?</p>	
<p>Spiritual Development Often growth in our spiritual walk is directly connected to the level of growth in other areas of our lives. How would you like this area of your life to improve?</p>	
<p>Family Health Healthy relationships are the true wealth of our world. What goals can you work toward together as a family to be happier and healthier?</p>	
<p>Professional Growth Your commitment to a goal is more important than the size of the goal. What are you most dedicated to achieving in your career this year?</p>	
<p>Financial Freedom Stewardship of our money matters. What is your focus of tithing, saving, investing, giving and spending?</p>	
<p>Physical Health We only get one brain and one body; our physical health impacts everything. What are you committed to this year to proactively take care of yourself?</p>	
<p>Service We are called to serve others through our time, talents, and treasures. Where can you make a difference locally, nationally, or internationally?</p>	
<p>Other Any other goals, plans, or focuses for the year that don't fall into one of the above categories</p>	
<p>My Big 3 Which of the areas above are your critical inch focuses for this year? When you focus on these three, the others will likely fall into place!</p>
